P.O. Box 3001 • One Convenience Blvd., Ankeny, Iowa 50021-8045 • 515/965-6100

To Whom It May Concern,

Casey's General Stores is currently using Tank Tech in Iowa and Missouri for all lining inspections of their UST systems. Tank Tech's work quality, communication and professionalism is outstanding. They go that extra step to keep us in the loop on each project and makes sure everything runs as smoothly as possible.

I would recommend Tank Tech for any UST system projects. They would be a valued asset to any company.

Sincerely,

Michelle Anderson
